

NCRC MOBILE PHONE CRIME REPORTING/MONITORING TOOL

Where/How to get NCRC Mobile Application:

How to download and install NCRC Kenya Mobile Phone Application on different mobile phone operating systems:

1. For **Android Operating System** mobile phones go to Google Play store, search NCRC Kenya, download and install in your phone (Free Service).
2. For **iPhone Operating System (ios)** mobile phones, go to App Store, search NCRC Kenya, download and install the application in your phone (Free Service).
3. For **Windows Operating System** mobile phones, go to Windows Store, search NCRC Kenya, download and install the application in your phone (Free Service).

What the Mobile Phone Application does:

NCRC mobile phone crime reporting/monitoring application is a paradigm shift in fighting crime through research by use of pocket technology (mobile phone). It collects, collates, reports and uses data to make individuals and communities more inclusive, safer and free by giving them opportunity to report crime incidences in specific localities.
